OSLO**

CALL FOR SPONSORS FOR 2026 NATIONAL DAY EVENT

The Embassy of Italy in Oslo is looking for sponsors who wish to be involved in the organization of the National Day, which will take place the 3rd of June, 2026, at “Oslo Konserthus”, Munkedamsveien 14, 0115 Oslo, and cultural events connected to it (concert, promotion of specific Italian territories and related food and wine specialties).

The Embassy of Italy, taking into account the amount or nature of the sponsorship, will grant economic operators, foundations and public and/or private associations visibility during the events, offering the possibility of displaying their logo or brand, name or other distinctive elements, as well as to distribute material or show promotional videos according to criteria that will be agreed upon when signing the sponsorship contract.

All interested parties can contact this Embassy by sending their proposal to the following email address: oslo.amministrazione@esteri.it.

The offers can include sponsorships of financial nature (i.e. economic donations) and technical ones (direct provision of services, musical performances or supply of goods) and it is also possible to present proposals that include both forms (partly financial and partly technical).

Sponsorship proposals will be evaluated by this Embassy according to principles of legality, good performance and transparency of administrative action.

These offers cannot in any way be considered binding for the subsequent formalization of the contract.

The Embassy also reserves the right not to accept proposals which, due to the nature of the sponsorship or the activities of the sponsor, may generate a conflict of interest, may cause prejudice or damage to the image and activity of this office, or which are contrary to the general principles of the Italian legal system, or prohibited by law.

If the proposal is deemed of interest, the offeror will be contacted by the Embassy.

The sponsorship may be the subject of an agreement between the parties which establishes the duration and value of the sponsorship, obligations of the parties and clauses protecting against non-fulfillment.

Oslo,

the Ambassador
Stefano Nicoletti
